NOVUS TSS folding arm III

Support arm with reinforced 2-part articulated arm and QuickRelease for standard 75/100 monitor mount. Monitors weighing no more than 15 kg can be infinitely adjusted in any direction. Includes two cable holders. Reach: 505 mm.

The adapter plate permits the straightforward attachment of all monitors with the standard 75 or 100 mount.

The product can be turned to either side and has the mentioned reach in mm.

The weight indicates the maximum load-bearing capacity of the supporting element or the maximum weight of an attachable monitor in kilograms.

When used conventional.

This machine bears the GS approval of product safety.

Available in silver/ anthracite

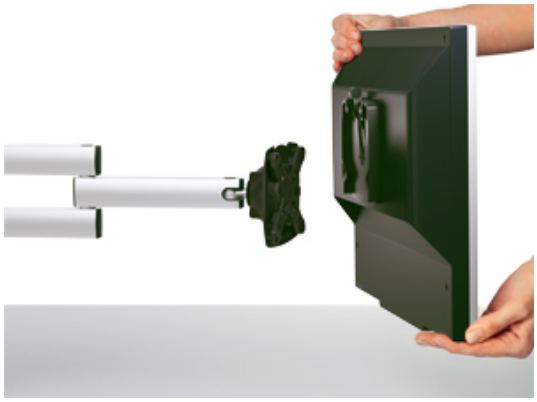
NOVUS TSS folding arm III

Ball-joint for versatile, precision monitor positioning.



With NOVUS QuickRelease for changing monitors quickly and conveniently without tools.

Thanks to their multi-part articulated design, TSS folding arms can be turned horizontally through any distance to provide the best possible monitor viewing angle around the column. Depending oncolumn attachment.

The cable holder in the folding arm ensures safe, tidy cable management.
